Do we really need asthma-COPD overlap syndrome?

Mario Cazzola, MD, FERS, Paola Rogliani, MD

PII: S0091-6749(16)30368-2

DOI: [10.1016/j.jaci.2016.04.028](https://doi.org/10.1016/j.jaci.2016.04.028)

Reference: YMAI 12145

To appear in: *Journal of Allergy and Clinical Immunology*

Received Date: 13 January 2016

Revised Date: 29 March 2016

Accepted Date: 1 April 2016

Please cite this article as: Cazzola M, Rogliani P, Do we really need asthma-COPD overlap syndrome?, *Journal of Allergy and Clinical Immunology* (2016), doi: 10.1016/j.jaci.2016.04.028.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Do we really need asthma-COPD overlap syndrome?
