

Attend Research Forum...

For the *Science in Scientific Assembly*

The American College of Emergency Physicians' 2017 Research Forum is ACEP's premier research event, running concurrently with and in the same location as ACEP17.

The *Research Forum* provides research Directors, residency programs, as well as physicians in non-academic settings an opportunity to discuss original research.

At the *Research Forum* you can:

- Present and discuss original research at a national gathering of researchers, teachers, and practitioners of emergency medicine
- Meet, confer, and network in a highly supportive environment

The program format is designed to:

- Provide valuable feedback to all presenters through a presentation/discussion format
- Mentor young researchers by providing a supportive learning environment
- Provide all emergency physicians the latest advances on a wide variety of topics

Conference Highlights:

- Oral presentations followed by a discussion led by a recognized researcher
- All abstracts will be presented electronically grouped by topic and critiqued by a recognized discussant
- Prime Time Practice Changes: Highlights of the 2017 Research Forum featuring a panel of experts discussing abstracts that have significant implications for emergency medicine practice or research

The *Research Forum* will run concurrently with ACEP17. The benefits of this include:

- Free admission to *Research Forum* when you sign up for four days of ACEP17
- Taking one trip to attend both meetings
- Greater exposure to presenters' research
- Access to favorable hotel rates negotiated for ACEP17
- Admission to the ACEP17 Exhibit Hall

Research Forum Activities Schedule

All abstracts will be presented electronically!!

Saturday, October 28

10:00 am – 5:00 pm Registration

Sunday, October 29

7:00 am – 5:00 pm Registration

9:00 am – 10:00 am Abstract Presentation Session 1

10:00 am – 11:00 am Abstract Presentation Session 2

11:00 am – 11:50 am Abstract Presentation Session 3

12:00 pm – 1:00 pm Awards Luncheon featuring ACEP Research Award Recipient

1:00 pm – 1:50 pm State-of-the Art: Clinical Guidelines: From Emergency Care Research to Bedside
