This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title: Risk of Gastrointestinal Bleeding in Patients Taking Non-vitamin K Antagonist Oral Anticoagulants: a Systematic Review and Meta-analysis

Short Title: NOACs and GI Bleeding

Authors: Corey S Miller^{1*}, Alastair Dorreen^{2*}, Myriam Martel³, Thao Huynh⁴, Alan N Barkun^{3,5}

¹Internal Medicine Residency Training Program, Department of Medicine, McGill University, Montreal, Canada, ²Division of Gastroenterology, Dalhousie University, Halifax, Nova Scotia, Canada, ³Department of Epidemiology and Biostatistics and Occupational Health, McGill University, Montreal, Canada, ⁴Division of Cardiology, McGill University Health Center, McGill University, Montreal, Canada, ⁵Division of Gastroenterology, McGill University Health Center, McGill University, Montreal, Canada

*co-first authors

Grant support: none

Abbreviations: AF, atrial fibrillation; CI, confidence interval; CRNM, clinically-relevant non-major; OR, odds ratio; GI, gastrointestinal; HR, hazard ratio; NOAC, novel oral anticoagulant; RCT, randomized controlled trial; VKA, vitamin K antagonist; VTE, venous thromboembolism;

Correspondence: Dr. Alan N Barkun, Division of Gastroenterology, The McGill University Health Center, Montreal General Hospital site, 1650 Cedar Avenue, room D7-346, Montréal, Canada H3G 1A4 Tel; (514) 934-8309 Fax: (514) 834-8531
E-mail: alan.barkun@muhc.mcgill.ca

Disclosures: C. Miller, A. Dorreen and M. Martel have no relevant conflicts of interest. T. Huynh received research grants and speaker honoraria from Boehringer Ingelheim Canada, Bayer Canada, Daichi Sankyo, Bristol Myers Squibb and Pfizer Canada. A. Barkun is a consultant for Pendopharm Inc., Boston Scientific Inc., Olympus Canada Inc., and Cook Inc.
