This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Understanding the Role of Violence as a Social Determinant of Preterm Birth

Saba W. MASHO, MD, DrPH

Susan CHA, PhD

Derek A. CHAPMAN, PhD

David CHELMOW, MD

From the Division of Epidemiology, Department of Family Medicine and Population Health, School of Medicine (Drs. Masho, Cha, and Chapman); Department of Obstetrics and Gynecology, Medical Center (Drs. Masho and Chelmow); Institute for Women's Health (Dr. Masho); and Center on Society and Health (Dr. Chapman), Virginia Commonwealth University in Richmond, Virginia.

Corresponding Author: Saba W. Masho MD, MPH, DrPH, 830 East Main Street, Suite 821, P.O. Box 980212, Richmond, VA 23298, Phone: 804-628-2509, Fax: 804-828-9773, Email: saba.masho@vcuhealth.org

Acknowledgement of financial support: Funded by a grant from the American Board of Obstetrics and Gynecology Educational Foundation.

Conflict of Interest/Disclosure Statement: Dr. Chelmow is on the board of directors for the American Board of OB/GYN, who awarded the grant. He receives a stipend for his service on the board. However, he was not involved in the review of the grant application, decision to award the grant, or administration of the grant. In his role as a faculty member at Virginia Commonwealth University (VCU), he is a state employee and this financial relationship constituted a conflict of interest under Virginia law. In the interest of full disclosure and in compliance with the COI management plan determined by VCU, he is disclosing the relationship. All other coauthors have no conflicts of interest to disclose.
