This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title:

Achieving Higher-Value Obstetrical Care

List of Authors:

*Victoria G. WOO, MD

(1) Fellow, Clinical Excellence Research Center
Stanford University
Stanford, CA

(2) Physician, Obstetrics and Gynecology
Kaiser Permanente Medical Center
Oakland, CA

*Ms. Tiffany LUNDEEN, CNM, MSN

(1) Fellow, Clinical Excellence Research Center
Stanford University
Stanford, CA

(2) Analyst, Global Health Sciences
University of California, San Francisco
San Francisco, CA

Sierra MATULA, MD, MSHS
Associate Fellowship Director, Clinical Excellence Research Center
Stanford University
Stanford, CA

Arnold MILSTEIN, MD MPH
Director, Clinical Excellence Research Center
Stanford University
Stanford, CA

*Denotes co-first authors

Conflicts of Interest:

The authors report no conflict of interest

Financial Support:

The Clinical Excellence Research Center offers one year fellowships for fellows to work on a project exploring value in healthcare in a particular topic. Victoria Woo and Tiffany Lundeen spent the year as co-fellows studying value in obstetrical care. The fellows are funded by Stanford University and the Sue and Dick Levy Fund, an advised fund of the Silicon Valley Community Foundation.
