Clinical and Psychosocial Predictors of Urologic Chronic Pelvic Pain Symptom Change Over One Year: A Prospective Study from the MAPP Research Network

Bruce D. Naliboff , Alisa J. Stephens , H. Henry Lai , James W. Griffith , J. Quentin Clemens , Susan Lutgendorf , Larissa V. Rodriguez , Craig Newcomb , Siobhan Sutcliffe , Wensheng Guo , John W. Kusek , J. Richard Landis

PII: S0022-5347(17)71368-7
DOI: [10.1016/j.juro.2017.05.065](https://doi.org/10.1016/j.juro.2017.05.065)
Reference: JURO 14771

To appear in: *The Journal of Urology*
Accepted Date: 5 May 2017

Please cite this article as: Naliboff BD, Stephens AJ, Lai HH, Griffith JW, Clemens JQ, Lutgendorf S, Rodriguez LV, Newcomb C, Sutcliffe S, Guo W, Kusek JW, Landis JR, for the MAPP Research Network, Clinical and Psychosocial Predictors of Urologic Chronic Pelvic Pain Symptom Change Over One Year: A Prospective Study from the MAPP Research Network, *The Journal of Urology*® (2017), doi: 10.1016/j.juro.2017.05.065.

DISCLAIMER: This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our subscribers we are providing this early version of the article. The paper will be copy edited and typeset, and proof will be reviewed before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to The Journal pertain.

Embargo Policy

All article content is under embargo until uncorrected proof of the article becomes available online.

We will provide journalists and editors with full-text copies of the articles in question prior to the embargo date so that stories can be adequately researched and written. The standard embargo time is 12:01 AM ET on that date. Questions regarding embargo should be directed to jumedia@elsevier.com.

Clinical and Psychosocial Predictors of Urologic Chronic Pelvic Pain Symptom Change Over One Year: A Prospective Study from the MAPP Research Network

Abbreviated Title: Predictors of Urologic Pelvic Pain Symptoms

Bruce D. Naliboff¹, Alisa J. Stephens², H. Henry Lai³, James W. Griffith⁴, J. Quentin Clemens⁵, Susan Lutgendorf⁶, Larissa V. Rodriguez⁷, Craig Newcomb², Siobhan Sutcliffe⁸, Wensheng Guo², John W. Kusek⁹, J. Richard Landis² for the MAPP Research Network¹⁰

¹Departments of Medicine and Psychiatry and Biobehavioral Sciences, University of California, Los Angeles CA

²Department of Biostatistics and Epidemiology, University of Pennsylvania Perelman School of Medicine, Philadelphia, PA

³Division of Urologic Surgery, Department of Surgery, and Department of Anesthesiology, Washington University School of Medicine, St Louis, MO

⁴Department of Medical Social Sciences, Northwestern University, Evanston, IL

⁵Department of Urology, University of Michigan School of Medicine, Ann Arbor, MI

⁶Department of Psychological and Brain Sciences and Urology, University of Iowa, Iowa City, IA

⁷Departments of Urology and Obstetrics and Gynecology, University of Southern California, Los Angeles, CA;

⁸Division of Public Health Sciences and the Alvin J. Siteman Cancer Center, Department of Surgery, Washington University School of Medicine, St. Louis, MO.

⁹National Institute of Diabetes and Digestive and Kidney Diseases, National Institutes of Health, Bethesda, MD.
