Variation in guideline concordant active surveillance follow-up in diverse urology practices

Amy N. Luckenbaugh , Gregory B. Auffenberg , Scott R. Hawken , Apoorv Dhir , Susan Linsell , Sanjeev Kaul , David C. Miller

PII: S0022-5347(16)31304-0  
DOI: [10.1016/j.juro.2016.09.071](https://doi.org/10.1016/j.juro.2016.09.071)  
Reference: JURO 14032

To appear in: *The Journal of Urology*  
Accepted Date: 9 September 2016

Please cite this article as: Luckenbaugh AN, Auffenberg GB, Hawken SR, Dhir A, Linsell S, Kaul S, Miller DC, for the Michigan Urological Surgery Improvement Collaborative, Variation in guideline concordant active surveillance follow-up in diverse urology practices, *The Journal of Urology*® (2016), doi: 10.1016/j.juro.2016.09.071.

**DISCLAIMER:** This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our subscribers we are providing this early version of the article. The paper will be copy edited and typeset, and proof will be reviewed before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to The Journal pertain.

## Embargo Policy

**All article content is under embargo until uncorrected proof of the article becomes available online.**

We will provide journalists and editors with full-text copies of the articles in question prior to the embargo date so that stories can be adequately researched and written. The standard embargo time is 12:01 AM ET on that date. Questions regarding embargo should be directed to [jumedia@elsevier.com](mailto:jumedia@elsevier.com).
