11

12 Disclosures: Dr. Julia Keltz has nothing to disclose. Dr. Mark Levie and Dr. Scott Chudnoff have

13 served as investigators for Halt Medical, Gynesonics, and Phillips Medical. They receive no direct

14 financial remuneration.

15

16 Key words: Myoma, Fibroid thermal ablation, Pregnancy

17

18 **Abstract**

19

20 The objective of this review is to describe the reproductive outcomes of women after

21 radiofrequency volumetric thermal ablation (RFVTA) of fibroids or magnetic resonance-guided

22 high-intensity focused ultrasound (MRgHIFU). This is a literature review of the current case
