Amiodarone: A potential risk factor for retinal phototoxicity

Komal M. Joshi, Manjot K. Gill

PII: S2451-9936(16)30119-0

DOI: [10.1016/j.ajoc.2016.12.019](https://doi.org/10.1016/j.ajoc.2016.12.019)

Reference: AJOC 100

To appear in: *American Journal of Ophthalmology Case Reports*

Received Date: 27 June 2016

Revised Date: 15 December 2016

Accepted Date: 28 December 2016

Please cite this article as: K.M. Joshi, M.K. Gill, Amiodarone: A potential risk factor for retinal phototoxicity, *American Journal of Ophthalmology Case Reports* (2017), doi: 10.1016/j.ajoc.2016.12.019.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Amiodarone: A Potential Risk Factor for Retinal Phototoxicity

KOMAL M. JOSHI¹ AND MANJOT K. GILL¹
