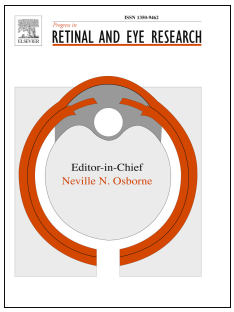
Accepted Manuscript



The lens growth process

Steven Bassnett, Hrvoje Šikić

PII: S1350-9462(17)30016-2

DOI: 10.1016/j.preteyeres.2017.04.001

Reference: JPRR 665

To appear in: *Progress in Retinal and Eye Research*

Received Date: 14 February 2017

Revised Date: 6 April 2017

Accepted Date: 10 April 2017

Please cite this article as: Bassnett, S., Šikić, H., The lens growth process, *Progress in Retinal and Eye Research* (2017), doi: 10.1016/j.preteyeres.2017.04.001.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
