Consistency of a lumbar movement pattern across functional activities in people with low back pain

Andrej V Marich, Ching-Ting Hwang, Gretchen B Salsich, Catherine E Lang, Linda R Van Dillen

PII: S0268-0033(17)30062-1
DOI: doi: [10.1016/j.clinbiomech.2017.03.004](https://doi.org/10.1016/j.clinbiomech.2017.03.004)
Reference: JCLB 4300
To appear in: *Clinical Biomechanics*
Received date: 18 November 2016
Accepted date: 6 March 2017

Please cite this article as: Andrej V Marich, Ching-Ting Hwang, Gretchen B Salsich, Catherine E Lang, Linda R Van Dillen , Consistency of a lumbar movement pattern across functional activities in people with low back pain. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Jclb(2017), doi: [10.1016/j.clinbiomech.2017.03.004](https://doi.org/10.1016/j.clinbiomech.2017.03.004)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
