Complete Eradication of Biofilm from Orthopaedic Materials

Jeffrey T. Leary, MD, Matthew M. Werger, MD, William Broach, PhD, Lindsey N. Shaw, PhD, Brandon G. Santoni, PhD, Thomas L. Bernasek, MD, Steven T. Lyons, MD

PII: S0883-5403(17)30287-5

DOI: [10.1016/j.arth.2017.03.050](https://doi.org/10.1016/j.arth.2017.03.050)

Reference: YARTH 55776

To appear in: *The Journal of Arthroplasty*

Received Date: 11 February 2016

Revised Date: 13 March 2017

Accepted Date: 21 March 2017

Please cite this article as: Leary JT, Werger MM, Broach W, Shaw LN, Santoni BG, Bernasek TL, Lyons ST, Complete Eradication of Biofilm from Orthopaedic Materials, *The Journal of Arthroplasty* (2017), doi: 10.1016/j.arth.2017.03.050.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Complete Eradication of Biofilm from Orthopaedic Materials

Running Title: Biofilm Eradication from Biomaterials
