This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Muscle Localization of Heterotopic Ossification Following Spinal Cord Injury

Short Title: Localization of Heterotopic Ossification in muscles around the hip

Malte Ohlmeier¹, Dr. Eduardo M. Suero², Dr. Mirko Aach³, Dr. Renate Meindl³, Prof. Thomas A. Schildhauer¹, PD Dr. Mustafa Citak³
