Research report

Effects of feeding time on daily rhythms of neuropeptide and clock gene expression in the rat hypothalamus

Dawei Wang, Anne-Loes Opperhuizen, Jane Reznick, Nigel Turner, Yan Su, Gregory J. Cooney, Andries Kalsbeek

PII: S0006-8993(17)30296-2

DOI: <http://dx.doi.org/10.1016/j.brainres.2017.07.006>

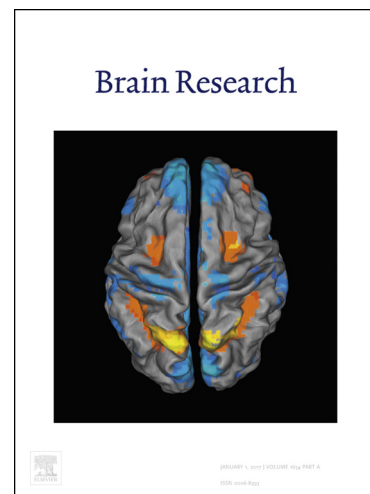

Reference: BRES 45420

To appear in: *Brain Research*

Received Date: 16 April 2017

Revised Date: 9 June 2017

Accepted Date: 10 July 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
