

# Accepted Manuscript

Near-UV photooxidation of As(III) by iron species in the presence of fulvic acid

Ivan P. Pozdnyakov, Tamara E. Romanova, Xiaojiao Cai, Victoria A. Salomatova,  
Victor F. Plyusnin, Ping Na, Olga V. Shuvaeva

PII: S0045-6535(17)30644-6

DOI: [10.1016/j.chemosphere.2017.04.103](https://doi.org/10.1016/j.chemosphere.2017.04.103)

Reference: CHEM 19165

To appear in: *ECSN*

Received Date: 17 February 2017

Revised Date: 5 April 2017

Accepted Date: 23 April 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
