

## Accepted Manuscript

Bias correction of global and regional simulated daily precipitation and surface mean temperature over Southeast Asia using quantile mapping method

Sheau Tieh Ngai, Fredolin Tangang, Liew Juneng

PII: S0921-8181(16)30126-6  
DOI: doi: [10.1016/j.gloplacha.2016.12.009](https://doi.org/10.1016/j.gloplacha.2016.12.009)  
Reference: GLOBAL 2535  
To appear in: *Global and Planetary Change*  
Received date: 10 April 2016  
Revised date: 16 November 2016  
Accepted date: 6 December 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
