

## Accepted Manuscript

Pan-European seasonal trends and recent changes of drought frequency and severity

Jonathan Spinoni, Gustavo Naumann, Jürgen Vogt

PII: S0921-8181(16)30180-1  
DOI: doi: [10.1016/j.gloplacha.2016.11.013](https://doi.org/10.1016/j.gloplacha.2016.11.013)  
Reference: GLOBAL 2521

To appear in: *Global and Planetary Change*

Received date: 11 May 2016  
Revised date: 28 September 2016  
Accepted date: 21 November 2016

Please cite this article as: Spinoni, Jonathan, Naumann, Gustavo, Vogt, Jürgen, Pan-European seasonal trends and recent changes of drought frequency and severity, *Global and Planetary Change* (2016), doi: [10.1016/j.gloplacha.2016.11.013](https://doi.org/10.1016/j.gloplacha.2016.11.013)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
