Title: The behavioral ecology of nectar robbing: Why be tactic constant?<!--<RunningTitle>The behavioral ecology of nectar robbing</RunningTitle>-->

Authors: Judith L. Bronstein, Jessica L. Barker, Elinor M. Lichtenberg, Leif L. Richardson, Rebecca E. Irwin

PII: S2214-5745(16)30187-0
DOI: <http://dx.doi.org/doi:10.1016/j.cois.2017.05.013>
Reference: COIS 336

To appear in:

Please cite this article as: Judith L.Bronstein, Jessica L.Barker, Elinor M.Lichtenberg, Leif L.Richardson, Rebecca E.Irwin, The behavioral ecology of nectar robbing: Why be tactic constant? (2010), <http://dx.doi.org/10.1016/j.cois.2017.05.013>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

The behavioral ecology of nectar robbing: Why be tactic constant?
