Accepted Manuscript

Crustal evolution and the temporality of anorthosites

Lewis D. Ashwal, Grant M. Bybee

PII: S0012-8252(17)30122-8

DOI: doi: 10.1016/j.earscirev.2017.09.002

Reference: EARTH 2482

To appear in: Earth-Science Reviews

Received date: 5 March 2017 Revised date: 24 August 2017 Accepted date: 1 September 2017

Please cite this article as: Lewis D. Ashwal, Grant M. Bybee, Crustal evolution and the temporality of anorthosites, *Earth-Science Reviews* (2017), doi: 10.1016/j.earscirev.2017.09.002

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
