

## Accepted Manuscript

Adaptable Imaging Package for Remote Vehicles

Jean-Luc Liardon, D.A. Barry

PII: S2468-0672(17)30007-X

DOI: <http://dx.doi.org/10.1016/j.ohx.2017.04.001>

Reference: OHX 8

To appear in: *HardwareX*

Received Date: 31 January 2017

Revised Date: 18 April 2017

Accepted Date: 18 April 2017

Please cite this article as: J-L. Liardon, D.A. Barry, Adaptable Imaging Package for Remote Vehicles, *HardwareX* (2017), doi: <http://dx.doi.org/10.1016/j.ohx.2017.04.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
