Title: Solubility enhancement of BCS Class II drug by solid phospholipid dispersions: spray drying *versus* freeze-drying

Author: Sophia Yui Kau Fong Asiye Ibisogly Annette
Bauer-Brandl Professor

PII: S0378-5173(15)30298-2
DOI: <http://dx.doi.org/doi:10.1016/j.ijpharm.2015.10.029>
Reference: IJP 15284

To appear in: *International Journal of Pharmaceutics*

Received date: 13-7-2015
Revised date: 18-9-2015
Accepted date: 7-10-2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Solubility enhancement of BCS Class II drug by solid phospholipid dispersions:
spray drying *versus* freeze-drying**
