Cellular analysis of the histamine H₄ receptor in human myeloid cells

Ricardo Capelo, Christoph Lehmann, Khalil Ahmad, Ryan Snodgrass, Olaf Diehl, Julia Ringleb, Nicolas Flamand, Andreas Weigert, Holger Stark, Dieter Steinhilber, Astrid S. Kahnt

PII: S0006-2952(16)00026-5
DOI: <http://dx.doi.org/10.1016/j.bcp.2016.01.007>
Reference: BCP 12464

To appear in: *Biochemical Pharmacology*

Received Date: 20 September 2015
Accepted Date: 6 January 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
