

## Author's Accepted Manuscript

Isolation and *in vitro* permeation of phenylpropylamino alkaloids from Khat (*Catha edulis*) across oral and intestinal mucosal tissues

Minaleshewa Atlabachew, Sandra Combrinck, Alvaro M. Viljoen, Josias H. Hamman, Chrisna Gouws

PII: S0378-8741(16)30737-1  
DOI: <http://dx.doi.org/10.1016/j.jep.2016.09.012>  
Reference: JEP10412

To appear in: *Journal of Ethnopharmacology*

Received date: 11 December 2015  
Revised date: 2 September 2016  
Accepted date: 7 September 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
