***Polytrichum commune* L.ex Hedw ethyl acetate extract-triggered perturbations in intracellular Ca²⁺ homeostasis regulates mitochondrial-dependent apoptosis**

Wenjuan Yuan, Xiaoxia Cheng, Pan Wang, Yali Jia, Quanhong Liu, Wei Tang, Xiaobing Wang

PII: S0378-8741(15)30020-9
DOI: <http://dx.doi.org/10.1016/j.jep.2015.07.002>
Reference: JEP9616

To appear in: *Journal of Ethnopharmacology*

Received date: 17 March 2015
Revised date: 14 June 2015
Accepted date: 3 July 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and a review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

***Polytrichum commune* L.ex Hedw ethyl acetate extract-triggered perturbations in intracellular Ca²⁺ homeostasis regulates mitochondrial-dependent apoptosis**
