Bronchoprotection and bronchorelaxation in asthma: New targets, and new ways to target the old ones

Tonio Pera, Raymond B. Penn

PII: S0163-7258(16)30042-0
DOI: doi: [10.1016/j.pharmthera.2016.04.002](https://doi.org/10.1016/j.pharmthera.2016.04.002)
Reference: JPT 6893

To appear in: *Pharmacology and Therapeutics*

Please cite this article as: Pera, T. & Penn, R.B., Bronchoprotection and bronchorelaxation in asthma: New targets, and new ways to target the old ones, *Pharmacology and Therapeutics* (2016), doi: [10.1016/j.pharmthera.2016.04.002](https://doi.org/10.1016/j.pharmthera.2016.04.002)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Bronchoprotection and bronchorelaxation in asthma: New targets, and new ways to target the old ones

Tonio Pera and Raymond B. Penn
