Pathogenesis and treatment of the cardiorenal syndrome: Implications of L-arginine-nitric oxide pathway impairment

Niwanthi W. Rajapakse, Shane Nanayakkara, David M. Kaye

PII: S0163-7258(15)00102-3
DOI: doi: [10.1016/j.pharmthera.2015.05.011](https://doi.org/10.1016/j.pharmthera.2015.05.011)
Reference: JPT 6786

To appear in: *Pharmacology and Therapeutics*

Please cite this article as: Rajapakse, N.W., Nanayakkara, S. & Kaye, D.M., Pathogenesis and treatment of the cardiorenal syndrome: Implications of L-arginine-nitric oxide pathway impairment, *Pharmacology and Therapeutics* (2015), doi: [10.1016/j.pharmthera.2015.05.011](https://doi.org/10.1016/j.pharmthera.2015.05.011)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

P&T # 22711
