This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title Page

Article Type: Systematic review and meta-analysis

Title: *Statins and contrast-induced acute kidney injury with coronary angiography: systematic review and meta-analysis*

Running head: Statins and contrast induced acute kidney injury

Authors:

1) Sumeet Gandhi, MD

McMaster University, Division of Cardiology, Hamilton, ON, Canada

2) Wassim Mosleh, (Hon) BSc

Trinity College, Dublin, Ireland

3) Husam Abdel-Qadir, MD

Institute of Health Policy, Management and Evaluation, University of Toronto

Peter Munk Cardiac Centre, University of Toronto

4) Michael E. Farkouh, MD, MSc

Peter Munk Cardiac Centre and Li Ka Shing Knowledge Institute, University of Toronto
