

Accepted Manuscript

Phylogenetic and geographic patterns of bartonella host shifts among bat species

Clifton D. McKee, David T.S. Hayman, Michael Y. Kosoy, Colleen T. Webb

PII: S1567-1348(16)30323-9
DOI: doi: [10.1016/j.meegid.2016.07.033](https://doi.org/10.1016/j.meegid.2016.07.033)
Reference: MEEGID 2862

To appear in:

Received date: 4 March 2016
Revised date: 11 July 2016
Accepted date: 25 July 2016

Please cite this article as: McKee, Clifton D., Hayman, David T.S., Kosoy, Michael Y., Webb, Colleen T., Phylogenetic and geographic patterns of bartonella host shifts among bat species, (2016), doi: [10.1016/j.meegid.2016.07.033](https://doi.org/10.1016/j.meegid.2016.07.033)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
