

Peroxisome Proliferator-Activated Receptor Delta and Cardiovascular Disease

Ewa Ehrenborg, Josefin Skogsberg

PII: S0021-9150(13)00503-0

DOI: [10.1016/j.atherosclerosis.2013.08.027](https://doi.org/10.1016/j.atherosclerosis.2013.08.027)

Reference: ATH 13175

To appear in: *Atherosclerosis*

Received Date: 12 May 2013

Revised Date: 16 August 2013

Accepted Date: 27 August 2013

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
