This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Pediatric Neurology's 2013 Manuscript Peer Reviewers

The editors of *Pediatric Neurology* gratefully acknowledge the many individuals who selflessly contributed their time, energy, and expertise as manuscript peer reviewers during 2013. Our peer reviewers help us to recognize the best manuscripts for publication and often provide practical, constructive suggestions that result in substantial improvement of the final paper. Laboring in anonymity, manuscript reviewers provide valuable service to the journal, the authors, and the profession.
