Post-operative Mortality Among Patients With Inflammatory Bowel Diseases: A Systematic Review and Meta-Analysis of Population-based Studies

Sunny Singh, Ahmed Al-Darmaki, Alexandra D. Frolkis, Cynthia H. Seow, Yvette Leung, Kerri L. Novak, Subrata Ghosh, Bertus Eksteen, Remo Panaccione, Gilaad G. Kaplan

PII: S0016-5085(15)00785-4
DOI: [10.1053/j.gastro.2015.06.001](https://doi.org/10.1053/j.gastro.2015.06.001)
Reference: YGAST 59829

To appear in: *Gastroenterology*
Accepted Date: 1 June 2015

Please cite this article as: Singh S, Al-Darmaki A, Frolkis AD, Seow CH, Leung Y, Novak KL, Ghosh S, Eksteen B, Panaccione R, Kaplan GG, Post-operative Mortality Among Patients With Inflammatory Bowel Diseases: A Systematic Review and Meta-Analysis of Population-based Studies, *Gastroenterology* (2015), doi: 10.1053/j.gastro.2015.06.001.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

All studies published in *Gastroenterology* are embargoed until 3PM ET of the day they are published as corrected proofs on-line. Studies cannot be publicized as accepted manuscripts or uncorrected proofs.
