Prostaglandin E₂ Promotes Colorectal Cancer Stem Cell Expansion and Metastasis in Mice

Dingzhi Wang, Lingchen Fu, Haiyan Sun, Lixia Guo, Raymond N. DuBois

PII: S0016-5085(15)01097-5
DOI: [10.1053/j.gastro.2015.07.064](https://doi.org/10.1053/j.gastro.2015.07.064)
Reference: YGAST 59955

To appear in: *Gastroenterology*
Accepted Date: 30 July 2015

Please cite this article as: Wang D, Fu L, Sun H, Guo L, DuBois RN, Prostaglandin E₂ Promotes Colorectal Cancer Stem Cell Expansion and Metastasis in Mice, *Gastroenterology* (2015), doi: 10.1053/j.gastro.2015.07.064.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

All studies published in *Gastroenterology* are embargoed until 3PM ET of the day they are published as corrected proofs on-line. Studies cannot be publicized as accepted manuscripts or uncorrected proofs.

Manuscript Number: GASTRO 15-00239

Prostaglandin E₂ Promotes Colorectal Cancer Stem Cell Expansion and Metastasis in Mice

Short Title: PGE₂ and colorectal cancer stem cells

Dingzhi Wang^{1#}, Lingchen Fu^{1#}, Haiyan Sun¹, Lixia Guo^{1,2}, and Raymond N. DuBois^{1,3,4*}

¹Laboratory for Inflammation and Cancer, Biodesign Institute of Arizona State University, Tempe, AZ 85287.
