

Accepted Manuscript

Food, Immunity, and the Microbiome

Herbert Tilg, Alexander R. Moschen

PII: S0016-5085(15)00012-8
DOI: [10.1053/j.gastro.2014.12.036](https://doi.org/10.1053/j.gastro.2014.12.036)
Reference: YGAST 59530

To appear in: *Gastroenterology*
Accepted Date: 23 December 2014

Please cite this article as: Tilg H, Moschen AR, Food, Immunity, and the Microbiome, *Gastroenterology* (2015), doi: 10.1053/j.gastro.2014.12.036.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

All studies published in *Gastroenterology* are embargoed until 3PM ET of the day they are published as corrected proofs on-line. Studies cannot be publicized as accepted manuscripts or uncorrected proofs.

Food, Immunity, and the Microbiome

Running title: Diet and microbiome
