

Accepted Manuscript

Clinical and laboratory features of human herpesvirus 6 chromosomal integration

Duncan A. Clark

PII: S1198-743X(16)00014-8

DOI: [10.1016/j.cmi.2015.12.022](https://doi.org/10.1016/j.cmi.2015.12.022)

Reference: CMI 491

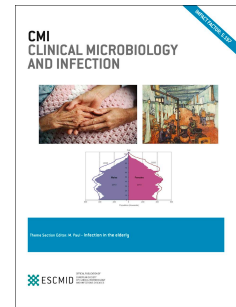

To appear in: *Clinical Microbiology and Infection*

Received Date: 30 November 2015

Accepted Date: 24 December 2015

Please cite this article as: Clark DA, Clinical and laboratory features of human herpesvirus 6 chromosomal integration, *Clinical Microbiology and Infection* (2016), doi: 10.1016/j.cmi.2015.12.022.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
