Controversies in guidelines for the control of multidrug-resistant Gram-negative bacteria in EU countries

Jonathan A. Otter, Nico T. Mutters, Evelina Tacconelli, Achilleas Gikas, Alison H. Holmes

PII: S1198-743X(15)00878-2

DOI: [10.1016/j.cmi.2015.09.021](https://doi.org/10.1016/j.cmi.2015.09.021)

Reference: CMI 392

To appear in: *Clinical Microbiology and Infection*

Received Date: 9 June 2015

Revised Date: 22 September 2015

Accepted Date: 22 September 2015

Please cite this article as: Otter JA, Mutters NT, Tacconelli E, Gikas A, Holmes AH, Controversies in guidelines for the control of multidrug-resistant Gram-negative bacteria in EU countries, *Clinical Microbiology and Infection* (2015), doi: 10.1016/j.cmi.2015.09.021.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Controversies in guidelines for the control of multidrug-resistant Gram-negative**
2 **bacteria in EU countries**
