Mast cells and their activation in lung disease

Harvinder Virk, MA, MRCP, Greer Arthur, PhD, Peter Bradding, DM, FRCP

PII: S1931-5244(16)00029-3

DOI: [10.1016/j.trsl.2016.01.005](https://doi.org/10.1016/j.trsl.2016.01.005)

Reference: TRSL 1004

To appear in: *Translational Research*

Received Date: 21 December 2015

Revised Date: 7 January 2016

Accepted Date: 12 January 2016

Please cite this article as: Virk H, Arthur G, Bradding P, Mast cells and their activation in lung disease, *Translational Research* (2016), doi: 10.1016/j.trsl.2016.01.005.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Mast cells and their activation in lung disease
