Conflict of interest form/Color figure form

Financial support:

We did not receive any financial support for the creation of this review article.

Disclosures:

Dr. Jihad H. Kaouk is a consultant for Endocare.

None of the other authors have any industrial relationships to disclose.

We will not be requesting colored figures or prints.

Daniel Ramirez, MD

ABSTRACT

Adoption of robotic technology in urology has been widely popularized as it provides considerable advantages over standard techniques, including improved instrument dexterity,
