

2015 Reviewer acknowledgement

Acknowledgement

At the conclusion of Volume 50 of the *Journal of Pediatric Surgery*, the Editors wish to express their gratitude and appreciation for the important editorial consultation and assistance of the members of the Editorial Board and to the representatives of the associations and organizations for which the Journal is the official publication. Their names are listed with the Editorial Board in the front of this issue of the Journal.

In addition, we would like to recognize the following individuals for their generous and expert services in reviewing manuscripts in the on-line system of the Journal in the past year. The peer-review process assures the quality of the content of the *Journal of Pediatric Surgery*, and we sincerely appreciate and value their contributions to this effort.
