Title: Computed tomography: what and how does it measure?

Author: Michalis Mazonakis John Damilakis

PII: S0720-048X(16)30075-4

DOI: <http://dx.doi.org/doi:10.1016/j.ejrad.2016.03.002>

Reference: EURR 7419

To appear in: *European Journal of Radiology*

Received date: 21-10-2015

Revised date: 16-2-2016

Accepted date: 1-3-2016

Please cite this article as: Mazonakis Michalis, Damilakis John. Computed tomography: what and how does it measure?. *European Journal of Radiology* <http://dx.doi.org/10.1016/j.ejrad.2016.03.002>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Computed tomography: what and how does it measure?

Michalis Mazonakis, John Damilakis
