This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**A free radical scavenger edaravone suppresses systemic inflammatory responses in a rat transient focal ischemia model**

Norio Fujiwara, Angel T. Som, Loc-Duyen D. Pham, Brian J. Lee, Emiri T. Mandeville, Eng H. Lo, Ken Arai

Neuroprotection Research Laboratory. Departments of Radiology and Neurology, Massachusetts General Hospital and Harvard Medical School, USA.

Corresponding author: Ken Arai or Eng H. Lo, Neuroprotection Research Laboratory, MGH East 149-2401, Charlestown, MA 02129, USA, Tel: 617.724.9503, Fax: 617.726.7830, Email: karai@partners.org or lo@helix.mgh.harvard.edu

Funding: This study was funded by National Institutes of Health (grant number NS037-74, NS055104, NS065089).

Conflict of Interest: All authors declare no conflict of interest.

Ethical approval: All applicable international, national, and/or institutional guidelines for the care and use of animals were followed. And, this article does not contain any studies with human participants performed by any of the authors.
