### Conflicts of Interest and Source of Funding:

Christoph Arnoldner is currently receiving a grant from the Austrian Science Fund (FWF;

Project No. P 24260-B19) and funding from MED-EL Corporation, Innsbruck, Austria.

Chengjing Zhu was financed by these grants while conducting the studies. For the

remaining authors none were declared. The funding sources had no influence on the

study design, the interpretation of the data or the decision to publish this article.
