

Author's Accepted Manuscript

Designing aerosol size distribution to minimize inter-subject variability of alveolar deposition

S.G. Karthiga Devi, Mahesh V. Panchagnula, Alladi Mohan

PII: S0021-8502(15)30058-6
DOI: <http://dx.doi.org/10.1016/j.jaerosci.2016.08.005>
Reference: AS5034

To appear in: *Journal of Aerosol Science*

Received date: 17 October 2015
Revised date: 3 July 2016
Accepted date: 10 August 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and a review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Designing aerosol size distribution to minimize inter-subject variability of alveolar deposition

Karthiga Devi, S.G.^a, Mahesh V. Panchagnula^b, Alladi Mohan^c
