To appear in: *Aquatic Toxicology*

Please cite this article as: Celander, Malin C., What changes a manuscript from just another one to an important contribution in aquatic toxicology: points that increase the chances of work getting published in *Aquatic Toxicology* *minus*and being

rewarded. Aquatic Toxicology <http://dx.doi.org/10.1016/j.aquatox.2016.02.009>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
