

## Acknowledgement of reviewers

Consistent quality of papers published in GEODERMA can only be maintained with the cooperation of a number of expert referees. The Editors would like to thank all those who have donated the hours necessary to review, evaluate, and comment on manuscripts; their conscientious efforts have allowed the journal to maintain its tradition of excellence. We are grateful to the following reviewers for their contributions during 2013.

Top five Reviewers – Based on the number of manuscripts reviewed in 2013:

Gerard Heuvelink  
Philippe Lagacherie
