Sub-watershed Prioritization based on Sediment Yield using Game Theory

Maryam Adhami, Seyed Hamidreza Sadeghi

PII: S0022-1694(16)30487-5
DOI: http://dx.doi.org/10.1016/j.jhydrol.2016.08.008
Reference: HYDROL 21443

To appear in: *Journal of Hydrology*

Received Date: 18 May 2016
Revised Date: 13 July 2016
Accepted Date: 6 August 2016

Please cite this article as: Adhami, M., Hamidreza Sadeghi, S., Sub-watershed Prioritization based on Sediment Yield using Game Theory, *Journal of Hydrology* (2016), doi: http://dx.doi.org/10.1016/j.jhydrol.2016.08.008

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
