Evidence for chemically heterogeneous Arctic mantle beneath the Gakkel Ridge

Megan E. D'Errico, Jessica M. Warren, Marguerite Godard

PII: S0016-7037(15)00651-1

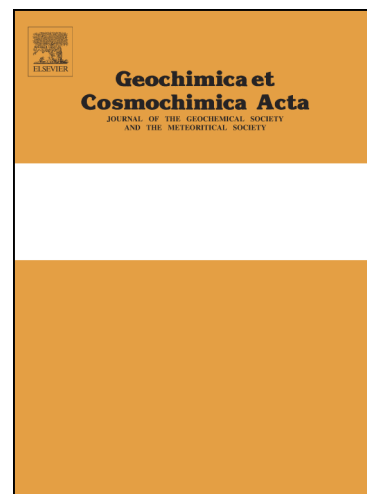

DOI: <http://dx.doi.org/10.1016/j.gca.2015.11.017>

Reference: GCA 9502

To appear in: *Geochimica et Cosmochimica Acta*

Received Date: 9 November 2014

Accepted Date: 21 November 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Evidence for chemically heterogeneous Arctic mantle beneath
the Gakkel Ridge**
