Theoretical constraints on the isotope effect for diffusion in minerals

James A. Van Orman, Michael J. Krawczynski

PII: S0016-7037(15)00265-3

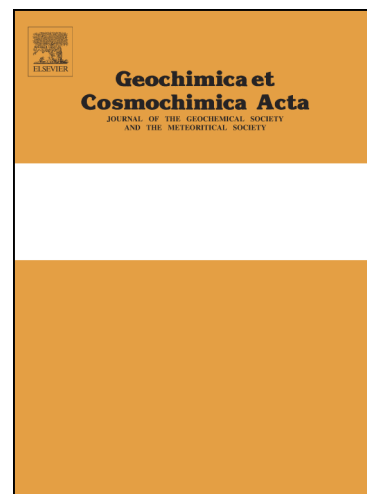

DOI: <http://dx.doi.org/10.1016/j.gca.2015.04.051>

Reference: GCA 9257

To appear in: *Geochimica et Cosmochimica Acta*

Received Date: 26 November 2014

Accepted Date: 29 April 2015

Please cite this article as: Van Orman, J.A., Krawczynski, M.J., Theoretical constraints on the isotope effect for diffusion in minerals, *Geochimica et Cosmochimica Acta* (2015), doi: <http://dx.doi.org/10.1016/j.gca.2015.04.051>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Theoretical constraints on the isotope effect for diffusion in minerals
