Accepted Manuscript

A new luminescence chronology for the Mangshan loess-palaeosol sequence on the southern bank of the Yellow River in Henan, central China

Fengyue Qiu, Liping Zhou

PII: \$1871-1014(15)30049-2

DOI: 10.1016/j.quageo.2015.06.014

Reference: QUAGEO 716

To appear in: Quaternary Geochronology

Received Date: 12 November 2014

Revised Date: 20 June 2015 Accepted Date: 29 June 2015

Please cite this article as: Qiu, F., Zhou, L., A new luminescence chronology for the Mangshan loess-palaeosol sequence on the southern bank of the Yellow River in Henan, central China, *Quaternary Geochronology* (2015), doi: 10.1016/j.guageo.2015.06.014.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
