

## Accepted Manuscript

### Biomimetic Tendon Extracellular Matrix Composite Gradient Scaffold Enhances Ligament-to-Bone Junction Reconstruction

Huanhuan Liu, Long Yang, Erchen Zhang, Rui Zhang, Dandan Cai, Shouan Zhu, Jisheng Ran, Varitsara Bunpetch, Youzhi Cai, Boon Chin Heng, Yejun Hu, Xuesong Dai, Xiao Chen, Hongwei Ouyang

PII: S1742-7061(17)30308-2  
DOI: <http://dx.doi.org/10.1016/j.actbio.2017.05.027>  
Reference: ACTBIO 4886

To appear in: *Acta Biomaterialia*

Received Date: 10 October 2016  
Revised Date: 8 May 2017  
Accepted Date: 10 May 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
