Full length article

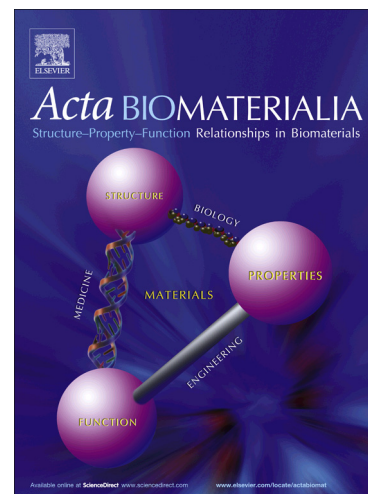

Compressive mechanical characterization of non-human primate spinal cord white matter

Shervin Jannesar, Mark Allen, Sarah Mills, Anne Gibbons, Jacqueline C. Bresnahan, Ernesto A. Salegio, Carolyn J. Sparrey

PII: S1742-7061(18)30271-X
DOI: <https://doi.org/10.1016/j.actbio.2018.05.002>
Reference: ACTBIO 5455

To appear in: *Acta Biomaterialia*

Received Date: 13 November 2017
Revised Date: 27 April 2018
Accepted Date: 1 May 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
